REQUEST FOR CRISIS PURCHASE OF SERVICE

PURSUANT TO §103F-406, HRS

STATE PROCUREMENT OFFICE
STATE OF HAWAII

To: Chief Procurement Officer

From: DOH - Child and Adolescent Mental Health Division ("CAMHD")
Department/Division/Branch or Office

Pursuant to Section 103F-406, HRS, and Chapter 3-147, HAR, the Department Head has determined a crisis condition exists and requests approval to make a crisis purchase for the following:

1. Request made: ☐ Before-the-Fact ☒ After-the-Fact

2. Title and description of health and human service(s):

   One-on-one support: additional service required to reduce the youth's inappropriate and unsafe behavior and actions.

3. Provider Name and Address: Bobby Benson Center ("BBC")
   56-660 Kamehameha Highway
   Kahuku, Hawaii 96731

4. Total Contract Funds: $19,392.00

5. Term of Contract: Start: 3/22/2010 End: 06/30/10 Estimated

   Crisis purchases of service are limited to current needs only. Enter justification for length of contract:

   Based on youth's behavior the CAMHD Family Guidance Center and BBC feel at least four months of one on one support would improve the youth's behavior to the point he would no longer be a risk or disturbance to himself and others in the program.

6. Describe the nature of the crisis condition (pursuant to section 3-147-201, HAR):

   This youth, minor, I.S. CR# 328501, was assigned to Bobby Benson Center (BBC) to address some serious drug abuse issues; however, while in the program the youth began to display additional dangerous and threating behavior. The hostile behavioral incident history has not improved and the police have been called. BBC has worked with the youth the past six months and made many changes to control and improve behavioral. They feel additional one-on-one care is required for the client to make the needed improvements at this time. BBC is concerned with the safety of other clients and possible hostile reactions from peers towards the youth..

   CAMHD agreed to one on one support to keep the youth in the program for treatment and to help BBC assure safety of their program for all youth. The one-on-one treatment started March 22, 2010 and will end on or before June 30, 2010 when additional evaluations will be made as to any further treatment plans.

STATE OF HAWAII

REQUEST FOR
CRISIS PURCHASE OF SERVICE
PURSUANT TO §103F-406, HRS

7.	Describe the reason for selection of the provider (including description of practicable competition): Since July 1, 2006, Bobby Benson Center has been CAMHD's existing provider of Community Based Residential Level III services specializing in drug abuse and mental health issues involving youth drug abuse.
8.	For approvals requested after-the-fact, explain why it was not practicable to request approval prior to the purchase: Client was already assigned to BBC when the additional behavior problems begin to manifest themselves and the Provider working with the Family Guidance center determined the inappropiate behavior could be resolved and other patient's saftey insured with the additional one on one support.
9.	Direct questions to (name & position): Leonard Batungbacal Phone number: 808 692-7700 e-mail address: lebatung@camhmis.health.state.hi.us

I certify that the information provided above is to the best of my knowledge true and correct.
